**FIG. 2**

The image shows a screenshot of a computer application window titled "AGENT PURCHASE". The window has a standard title bar with icons for minimize, maximize, and close. Below the title bar is a menu bar with options: file, edit, option, and help. A toolbar below the menu bar contains a single item: "http://www.○○○.co.jp / Agentpurchase.html". The main area of the window is labeled "AGENT PURCHASE" in bold capital letters. It contains several input fields: "URL" with the value "http://www.\*\*\*.co.jp / hanbai.html", "MERCHANDISE" (empty), "QUANTITY" with the value "1", and "COMMENT" (empty). At the bottom right is an "OK" button.

The image shows a screenshot of a web browser window. At the top, there is a menu bar with options: file, edit, option, and help. Below the menu is a toolbar with three icons. The address bar contains the URL: <http://www.○○○.co.jp/ Settlement / login.html>. The main content area has a title 'SETTLEMENT CONFIRMATION' in bold capital letters. Below the title are three input fields: 'USER ID' containing 'ABCD1234', 'PASSWORD' containing '\*\*\*\*\*', and 'ACCEPTANCE NO.' containing '10001234'. At the bottom center is a large, rounded rectangular button labeled 'LOGIN'.
